

ALLERTON MANOR

# Booking Terms & Conditions

We are an independent business and rely on reservations being honoured. We kindly ask that should you need to make any amendments to your reservation, ***you do so as soon as possible.***

We do require card details to secure your booking and you should receive an email from our booking system asking for you to provide these card details once your booking has been made. These details are securely kept with a third party called *Stripe* and will only be charged if the cancellation terms are not met. If we do not receive 24 hours' notice of any cancellation or amendments, your booking will automatically incur a fee of £5 per person. In the case of adverse weather we will not charge your card.
